This is a part time position where the individual would be ordinarily working less than twenty (20) hours per week scheduled between 5 pm Friday, and close on Sunday. In the absence of the Pool Technician/Facility Maintenance personnel, this position may be required to cover shifts. This position will be responsible for providing cleaning duties, dusting, removing garbage, removing snow from walkways, moving furniture and equipment as required, monitor pool chemistry and other related duties.

Qualifications:

The preferred candidate to possess the following knowledge, skills and abilities:

- Must have a minimum of a high school diploma;
- Prior knowledge working in janitorial and maintenance would be an asset;
- Demonstrated ability to work independently with minimal supervision;
- Dependable and cooperative;
- Shows initiative and attention to detail;
- Ability to communicate with the public in a respectful and effective manner;
- Knowledge of the importance of public safety and safety procedures including the use of cleaning chemicals and the safe operation of cleaning equipment, materials and other tools.

The successful candidate will be required to complete required Occupational, Health and Safety Training prior to commencement of employment as well as to provide a clear certificate of conduct.

Further details on specific duties and rate of pay will be provided to those selected for an interview.
